

Finale (I Believe in America)

Narration

Well, there you have it! America... in spirit and in song.

(music begins)

It is important to remember that today is full of yesterday. Everything we are and have... we owe to someone else. Even our faith is a gift... from yesterday.

But while part of us must be saying "hats off to the past!", another part of us must be singing "coats off to the future!"

This decade will be better than the last... and the last was the greatest of all.

...Until now!

We are a people who love our God...

and our country...

and pledge allegiance to both.

Working resolutely... as if everything depended on us,
praying diligently... as if everything depended on Him,
we prove what we say.

Only then can we stand,

joining our hearts and our hands,

singing together...

I BELIEVE IN AMERICA!
